REQUEST TO WITHDRAW FROM REPRESENTATION
UNDER 37 C.F.R. §1.36

Sir:

The undersigned agent of record, for herself and on behalf of all of the attorneys and agents of record in the above-identified application including those attorneys and/or agents associated with Customer Number **23628** hereby requests withdrawal from representation in the above-identified application.

The reasons for which the withdrawal is requested may be categorized under 37 C.F.R. §10.40(c)(5). In particular, the practitioner's client knowingly and freely assents to termination of the employment.

An initial Request to Withdraw From Representation was submitted to the Patent Office on December 28, 2005. Recently, this request was not approved because the request did not specifically refer to one of the permissive reasons listed in 37 C.F.R. 10.40(c).

The practitioner's client is Davol, Inc. The client terminated an agreement it had with the inventor which had authorized the client to prosecute this case. The client has instructed the undersigned to cease further prosecution of this matter. More recently, in April, the client assigned this application to the inventor's company, Michael Frimer, M.D., Inc.

Notice of this Petition to Withdraw from Representation is being sent simultaneously to the Applicant and the relevant files will immediately be sent to the Applicant upon approval of the request by the Commissioner. A first Office Action has not yet been issued in this case. Accordingly, at least 30 days remain for the Applicant to take any action due in this case or such action may be taken by the lodging of an appropriate Request for Extension of Time.

Two copies of this request are filed herewith.

The Patent Office is requested to call the undersigned at the telephone number listed below if this communication does not properly withdrawn all of the attorney and/or agent associated with Customer Number **23628** from representation in the above-identified application.

The Commissioner is hereby authorized to charge any fees or to credit any overpayment that may be required in connection with this Petition to this firm's Deposit Account No. 23/2825.

Respectfully submitted,

By: Shannon Pratt
